

CHARTER TOWNSHIP OF SUPERIOR
WASHTENAW COUNTY, MICHIGAN

MEMORANDUM

TO: Design Review Board
FROM: Tom Freeman, Chair
DATE: June 30, 2017
RE: Notice of meeting.

As you are aware, the Design Review Board is required by Ordinance to hold meetings as necessary to review projects proposed within the VC Zoning District in the Village of Dixboro. In compliance with that requirement we will be meeting on Tuesday, July 25, 2017.

A project has been proposed for the residential structure located at 5263 Plymouth Road. The property is currently owned by the Schneider family. RFC Financial Planners is proposing to buy the property for use as their office space. You may recall the Design Review Board reviewed a proposal in 2016 from RFC Financial Planners for use of 5400 Plymouth Road (the former Roger Monks / Lord Fox / Farm Cupboard). Those plans have subsequently changed and this is the current proposal.

I look forward to seeing everyone:
