The Flying Pilgrims Model Airplane Club is located in the eastern part of Superior Township. The group consists of nearly 200 members who enjoy flying model electrics, helicopters, jets, aerobatic planes and war birds.

The paved runway of the Flying Pilgrims is 500 feet long and 40 feet wide, with groomed grass all around. Additional amenities include a shelter, chairs, work table, picnic tables, and seating for visitors. Flying hours are from 10:00 a.m. to 8:00 p.m. Monday through Saturday. Sunday flying hours are from 12:00 p.m. to 8:00 p.m.

Airshows of the Flying Pilgrims Model Airplane Club are sanctioned by the Academy of Model Aeronautics and are open to the public. See the club's website for information on airshow events.
