

SPRINKLER METER POLICY

1. The customer desiring a sprinkler meter will pay to the Superior Township Utility Department (S.T.U.D.) a fee of \$330.00 for the meter, reader, and installation.
2. The customer will reconfigure the plumbing so that the sprinkler meter will measure water going outside of the building only and the water will not enter the sanitary sewer system.
3. The customer will pay for the water on the basis of the rate schedule. No sewage will be billed on the sprinkler meter.
4. The customer understands that they will notify us whenever they wish to discontinue the use of the sprinkler meter and we will remove the sprinkler meter.
5. In the event of outside watering restrictions, all persons will comply with those restrictions. There will be no reduction in minimum charges as a result of restrictions.
