**A. SUPERVISOR REPORT**

Supervisor Schwartz reported on the following:

- Salem Township wants to run a sewer line down Gotfredson Road to Geddes Road going over to Ridge Road and possibly connecting to the Ypsilanti Community Utilities Authority (YCUA) plant. Former Supervisor Bill McFarland wrote a letter around 6 years ago stating that the township was not interested in hosting a sewer line running through the township. Supervisor Schwartz wrote a letter about a year ago stating the same thing. Supervisor Schwartz received phone calls from residents on Gotfredson stating that they saw surveyors on the road. Supervisor Schwartz met with Gary Whittaker, Supervisor of Salem Township, this past Friday to discuss the issue. In 2009 there was a dispute that arose between Schostak Brothers and Salem Township regarding whether or not Salem would cooperate with Schostak to receive shovel ready funds from the Obama Administration for a sewer treatment plant in Salem Township. Salem Township did not want to work with Schostak. Schostak filed for a breach of development agreement and demanded arbitration. The Salem Township board filed a lawsuit to terminate any arbitration that could happen and claimed there was no cause for arbitration in the first place. The courts ruled against Salem Township and arbitration commenced. The arbitrators found unanimously that Salem Township did not act in good faith in respect to Schostak's request to get a no objection letter for a shovel ready project. The arbitrators ruled that Schostak did not have to build a treatment plant at their own expense to service the urban service district in Salem Township which was one of the provisions of the development

agreement between Salem Township and Schostak. Unbeknownst to Salem Township, Michigan Economic Development Corporation (MEDC) granted Salem Township a \$10,000,000.00, no strings attached, grant to build infrastructure for the urban service district of Salem Township. Salem Township has already received \$5,000,000.00 of the grant funding. Schostak also wants the township to bond for \$3,000,000.00 in additional funds.

Schostak went to the Washtenaw County Road Commission (WCRC) to get a permit for the work. Schostak also needs to get permission from Superior Township to move forward with the project. Superior Township will not permit the work.
