

COMMITTEE TO PROMOTE SUPERIOR TOWNSHIP – “One Superior Place” Meeting May 19, 2021

Remarks and Announcements – Brenda Baker, Carla Bisaro and Nancy Caviston attended; no regrets were received. Carla announced that, due to personal health concerns, she would be unable to attend the next few months’ meetings.

Library Display/Bookmarks/Superior Places Binders – With Covid closings, the situation continues unchanged at the library and Township Hall lobby. When those venues reopen, we will have to check the binders there to ensure that they are up to date. Those closings also affect the placement of bookmarks, which will need to be addressed. Placement of C2PST posters will be better allowed in space at the new public library currently under construction. Nancy offered the use of her office printer for printing a new supply of the bookmarks on the heavier vellum paper.

Internet/Website – Brenda commented on receiving informational content from the Township after having submitted her email address. Since that operation is now up and running, it would seem advisable to register for that service on the Township website.

New Resident Welcome Packet – No progress has been reported.

Superior Places – The newest Superior Place description was submitted and corrections made. Now, with four new offerings, Birds in Superior Township, Community Organic Gardens, Muddy Acres Flower Farm, and Early Settlements in Superior Township, it is time to forward them to the Township for inclusion in the C2PST heading. Other suggested Places options are on hold until research becomes available.

Events, Outreach and Community Pride – Supplies of the “Where Do You Live?” poster in the Township vestibule continue to be monitored. May 29 has been confirmed as the opening date of the Dixboro Farmers’ Market, but we will wait a week or so to contact them about placement of C2PST materials. The Township marquee, which had shown Parks & Rec hiring information, is currently blank.

Interface with Township Regarding Community Identity – This item cannot be addressed until we can figure out an appropriate way to proceed.

Annual Report to the Township Board – Since Brenda had other business before the Board at the May meeting, she has postponed delivery of our annual report to the June Board meeting.

Committee Business and Development – This agenda item was not addressed.

Schedule Next Meeting – The next meeting is scheduled via Zoom for 7:00 p.m., Wednesday, June 16, 2021.
