

COMMITTEE TO PROMOTE SUPERIOR TOWNSHIP – “One Superior Place” Meeting July 21, 2021

Remarks and Announcements – Brenda Baker, Carla Bisaro and Nancy Caviston attended; no regrets were received. It was noted that the meeting was being held in person at Township Hall even as it was available to Zoom participants.

Library Display/Bookmarks/Superior Places Binders – While Township Hall has reopened after the Covid quarantine, the District Library is still closed to drop-in patrons. Consequently, no changes have been made to our status at the library, and we have been unable to find the Superior Places binder at Township Hall. Nancy will manage the printing of a set of new bookmarks in preparation of our return to pre-pandemic operations.

Internet/Website – All C2PST members have reported receiving news updates from the Township, and have found the Township website easier to navigate as we have become more familiar with it.

New Resident Welcome Packet – With the news that the Township cannot supply a list of Township-based businesses, we must determine if we merely proceed without the list or find other ways to find it. Nancy will start with a contact at Better Business Bureau, possible leading to contact with Washtenaw County.

Superior Places – Carla displayed the most recent complete binder, noting that she had checked phone numbers, business hours, and other recent data. Any changes were reflected in the new bookmarks as well. As things open up post-epidemic, research abilities for some of the tabled Superior Places may become available.

Events, Outreach and Community Pride – Supplies of the “Where Do You Live?” poster in the Township vestibule continue to be monitored. No one from the Committee has visited the Dixboro Farmers’ Market this year, so there is no report on a possible presence there. The Township marquee has returned to full use, primarily by the Parks & Rec department.

Interface with Township Regarding Community Identity and Annual Report to the Township Board – These two items were discussed together, with Brenda’s report that the Township Board seemed fully satisfied with the results of our efforts. We have determined to post our “Wanted” intentions in the next *Superior Scenes* newsletter.

Committee Business and Development – Brenda will offer a working copy of our Superior Places collection to a real estate contact to investigate that method of outreach.

Schedule Next Meeting – The next meeting is scheduled for 7:00 p.m., Wednesday, August 18, 2021. It will also be available simultaneously on Zoom for participants who may prefer to attend remotely.
