

## **COMMITTEE TO PROMOTE SUPERIOR TOWNSHIP – “One Superior Place”**

### **Meeting August 18, 2021**

**Remarks and Announcements** – Brenda Baker, Carla Bisaro and Nancy Caviston attended; no regrets were received. While the meeting was held at Superior Township’s Township Hall, Zoom capability was available and used by Nancy Caviston. We have received notice from Township Clerk Lynette Findley that submissions for the fall issue of *Superior Scenes* are due by August 30.

**Library Display/Bookmarks/Superior Places Binders** – The missing Superior Places binder has been replaced in the lobby of Township Hall after revisions had been made. The reprinting of a new set of bookmarks is still in the works, but placing of posters waits on the reopening of the Township library.

**Internet/Website** – News updates continue to be sent to those who have registered their email addresses with the Township. The latest set of Superior Places revisions have been provided to the Township for inclusion on the website.

**Article for *Superior Scenes*** – In anticipation of the fall newsletter, we had determined at the last meeting that our article would feature a “WANTED” listing, naming roles that would be open for possible volunteers.

**New Resident Welcome Packet** – Nancy reported that she had contacted her local Chamber of Commerce, but they were unable to assist in the search for a listing of Superior Township businesses. Nancy will try the Better Business Bureau to seek out a source of this information desired for our New Resident Welcome Packet.

**Superior Places** – There was no progress reported on any of the proposed new Superior Places other than to note that the Corn Stand does not appear to have opened this year.

**Events, Outreach and Community Pride** – Copies of the “Where Do You Live?” poster in the Township vestibule remain available. We still have no contact at the Dixboro Farmers Market. A supply of the Township info refrigerator magnets has been placed in the Township Hall vestibule. The Township marquee currently shows information pertaining to an upcoming open meeting.

**Interface with Township Regarding Community Identity** – Brenda spoke of her intention to request that “Superior Township” be used in place of “Ypsilanti” on posters informing of meeting location.

**Committee Business and Development** – Now that she has it in hand, Brenda will offer a working copy of our Superior Places collection to a real estate contact to investigate that method of outreach.

**Schedule Next Meeting** – The next meeting is scheduled for 7:00 p.m., Wednesday, September 15, 2021. It will also be available simultaneously on Zoom for participants who may prefer to attend remotely.
