Schroeter Park is a 32.7-acre Superior Township park located at the southeast corner of Berry and Warren roads. It is an undeveloped natural area used mainly by horseback riders, walkers and cross-country skiers. The land for the park was willed to the Township by Mr. and Mrs. Bruno Schroeter; under the conditions of the will, the park is limited to passive recreation use.

The Weatherbee Woods Preserve was named to honor Ellen Elliott Weatherbee, a local naturalist who was instrumental in the protection of the property. It was established in 2012 with the purchase by Washtenaw County Parks & Recreation Commission of 65 acres; the preserve was enlarged in 2014 with an additional 20-acre purchase.

One of the newest additions to the Superior Greenway, the Southeast Michigan Land Conservancy's Secrest Nature Preserve adjoins the earlier two at the south. A trail loops through all three preserves, and a trail map of the combined properties can be accessed through [www.SMLCland.org](http://www.SMLCland.org).

To enter at the south from the Superior Township Hall (3040 N. Prospect Rd.):

- Turn RIGHT (north) on Prospect Rd. (0.9 mi.)

- Turn RIGHT (east) on Ford Rd. (.7 mi.)

- Turn LEFT (north) on Berry Rd. (.3 mi.)

To enter at the north, follow Berry Road (1.0 mi.) from Ford Rd., then

- Turn RIGHT (east) on Warren Rd. (0.2 mi.)

The Secrest Nature Preserve parking lot is accesible on the RIGHT (east) side of Berry Road; Schroeter Park and Weatherbee Woods Preserve share a small parking area on the RIGHT (south) side of Warren Road. A small kiosk shows a map of the trails within the three areas and gives other information about the park and preserves.
