10. New Business

- A. Parks & Rec Bathroom in Fire Station #2

The Township Board approved engineering fee of \$15,700 for the bathroom. Construction cost is estimated at \$66,000. The reason this cost is so high is because the waste water must be pumped over the top of the building to the sewer line.

- B. Proposed Park Land Donation

A property owner of 25 acres in section 1 of Superior Township, in the southwest corner of the intersection of Joy Road and Napier Road seeks a rezoning from R-1 Single Family Residential to C-2 General Commercial to construct storage units. This property owner proposes donating approximately half the acres to the park commission for a park. There was no support expressed for this proposal.

13. Pleas and Petitions

Guy Conti asked Juan to keep the issue of securing similar fee levels for Superior Township residents to use Ypsilanti Township park and recreation facilities and services on the park commission agenda until it is resolved.

Greg Vessels is concerned about township board actions concerning the “rock property” that could jeopardize it as an opportunity to get more people, especially children outside and into natural settings. Trustee Bernice Lindke noted the township board may place the “rock property” into the park commission’s inventory. Greg also expressed concern about funding resources for programming. Are grants a reasonable resource for programming. Martha Kern-Boprie responded grants are more effective for capital improvements, as grants are time limited, and if the grant funding goes away, the program may have to terminate.

Jan Piert suggested collaborating with county parks and rec for programming support.

Jack Smiley suggested the 162 acre parcel running south from Cherry Hill Road would be a good location for outdoor programming. Assuming this parcel is securing, plans are to install a parking lot that could make both this parcel and the Cherry Hill Nature Preserve accessible to people traveling by motor vehicles.

Juan Bradford asked park commissioners to confirm plans for the luncheon/dinner to thank Marion Morris and Terry Lee Lansing for their service to the park commission. A consensus was reached to host a potluck lunch on Thursday, November 2 at 12:00 noon at the township hall. Township board members are welcome to attend. Martha Kern-Boprie will communicate with the Township Clerk to extend the invitation to the township board members.
