

COMMITTEE TO PROMOTE SUPERIOR TOWNSHIP – “One Superior Place” Meeting October 18, 2023

Remarks and Announcements – Brenda Baker, Carla Bisaro, Margery Dosey, Carole Hann, Katie Russo and John Park attended; regrets were received from Ken Schmidt. All present introduced themselves to John Park, the Township’s AmeriCorps Fellow.

Library Display – Katie and Carla displayed the elements of our library bulletin board display. It should be posted by the weekend.

Internet, Websites, Social Media – Margery informed us of increasing numbers of our *Facebook* contacts; *Instagram* too has shown increasing numbers. A link to the *Instagram* page has been added to the Township webpage. The supply of QR cards has been replenished in the Township Hall lobby. Margery passed along a message of appreciation from Laura Bennett for the efforts of C2PST, and early plans were laid to incorporate the *Superior People* program at the start of 2024. Carole will investigate the identity of the single email message received at c2pst@superior-twp.org.

Fall Superior Scenes Article – Review -- The full page allotted to us in the most recent Township newsletter was commented on and appreciated. The article reflected on all of the current participating members. Discussion focused on ways to embellish next year’s edition with color and artwork.

Interface with Officials – John suggested we require a list from Township staff, clarifying each person’s duties, so that we can appropriately go to the right person for information or service. Brenda will request that we would be given a line item in the Board of Trustees meetings so that we can regularly share information. To prepare for this standing agenda item, Carole presented a preliminary list of our accomplishments to share with the Trustees. Inquiries about the possibility of compensation for purchases made on behalf of the Committee seemed unlikely.

How to Build Our Committee – The “Get Involved” agenda item was approved for several spots within the Committee webpage. Announcements on the township webpage have been accomplished.

Superior Places – There was no progress or discussion noted here.

Superior Neighborhoods – There was no current discussion here.

Events, Outreach and Community Pride – The allotted 90 minutes were used up, so there was no discussion here.

Interface with Local Realtors – Katie and Carole told of discussions with real estate agents about the usefulness of C2PST information.

Schedule Next Meeting – The next meeting reflects holiday timing and is scheduled to be held via Zoom on Wednesday, December 6, 2023, at 7:00 p.m. The traditional meeting schedule will return on Wednesday, January 17, 2024.
