VIII. GENERAL

Electrical work shall not be started until the application for a permit has been filed with the Charter Township of Superior Building Department. All installations shall be in conformance with the Michigan Electrical Code. **No work shall be concealed until it has been inspected.** When ready for inspection, contact the Building Department a minimum of 24 hours in advance. **Job Address and Permit Number Required.**

IX. EXPIRATION OF PERMIT

A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period six months after the time of commencing work.
A permit will be closed when no inspections are requested and conducted within six months of the date of issuance or the date of previous inspection. Closed permits cannot be refunded.
