**RESOLUTION TO APPROVE THE AUDITING SERVICE PROPOSAL WITH  
PFEFFER, HANNIFORD, AND PALKA, CERTIFIED PUBLIC ACCOUNTANTS  
AUDIT ENGAGEMENT LETTER**

**RESOLUTION NUMBER: 2024-73**

**DATE: DECEMBER 16, 2024**

**WHEREAS**, the Superior Charter Township Board of Trustees has reviewed the audit engagement letter presented by Pfeffer, Hanniford & Palka, Certified Public Accountants, detailing the scope and objectives for the audit of the financial statements of the Charter Township of Superior for the year ended December 31, 2024; and

**WHEREAS**, the audit engagement letter includes the auditing of the financial statements of the governmental activities, the business-type activities, each major fund, the aggregate remaining fund information, and the disclosures, which collectively comprise the basic financial statements of the Charter Township of Superior; and

**WHEREAS**, the engagement letter outlines the responsibilities of the auditors and the management, the audit procedures for internal control and compliance, the identification of significant risks, and the preparation of the financial statements in accordance with generally accepted accounting principles in the United States of America; and

**WHEREAS**, the Board acknowledges the importance of this audit in ensuring the financial integrity and transparency of the Charter Township of Superior.

**WHEREAS**, Pfeffer, Hanniford & Palka, Certified Public Accountants, propose for 2024 an audit fee of \$28, 500.00 which is a \$4,500 increase; and

**PHP'S proposal for:**

- 2024 \$28,500
- 2025 \$29,500
- 2026 \$30,500

**Prior Contract Costs:**

- 2023 \$24,000
- 2022 \$23,750
- 2021 \$23,500

**WHEREAS**, several factors have contributed to the increase in audit fees. The primary factor is the rising cost of staffing, which has necessitated annual salary increases of 15 to 20% in recent years to maintain adequate staffing levels. Additionally, increased costs in health insurance benefits, malpractice insurance premiums, and other audit-related expenses have significantly impacted overall audit costs; and

**WHEREAS**, the Superior Township is also subject to new accounting standards, including GASB #84, GASB #87, GASB #101, and ASC #606, which pertain to revenue recognition. These standards require additional time and resources to ensure compliance with Generally Accepted Accounting Principles (GAAP). This may lead to extended audit timelines, particularly if staffing changes occur within the Superior Township Accounting Department during the fieldwork phase. Any potential cost increases resulting from these factors will be communicated to the Township prior to implementation. The estimated time required for the 2024 audit is approximately 200 hours, at a minimum hourly rate of \$140;

**NOW, THEREFORE, IT IS HEREBY RESOLVED** that the Superior Charter Township Board of Trustees approves the audit engagement letter and fee of \$28,500.00 from Pfeiffer, Hanniford & Palka, as presented. The Township Supervisor is authorized to sign the response section of the engagement letter, confirming the Township's understanding and agreement to the terms of the audit engagement. All Township officials and staff are directed to cooperate fully with Pfeiffer, Hanniford & Palka during the audit process and provide all necessary information and assistance as required.

- **Ms. Mohammad** criticized the board's lack of awareness about the financial deficit, emphasizing the importance of proactive financial planning and grant writing. She demanded increased transparency by publishing meeting resolutions as hyperlinks on the website before meetings, enabling residents to review and provide input, and request voting results to be posted online for future accountability.
- **Steph** thanked Trustee Greene for thoroughly reviewing fire, utility, and controller reports, seeking details on key incidents, and ensuring accountability for the controller's repeated absences from monthly meetings.
- **Kelly Goolsby** asked for clarification on whether the hiring moratorium would affect the hiring of a housing inspector. She also expressed deep concern over the deteriorating living conditions in Sycamore Meadows, citing health hazards, water main breaks, ceiling collapses, and black mold. She urged the board to take accountability and immediate action, highlighting perceived bias in inspections and emphasizing that no residents should have to endure such unsafe and unhealthy conditions.

# Building Department Report

13 January, 2025

- 1) Despite the winter weather, new home construction continues at Prospect Pointe West. Phase 2 was approved to proceed on 9/10/2024. The road's are completed and water and sewer mains are underway. They have been averaging 2 new starts per month.
- 2) Huron Dental Clinic at 5387 Plymouth /AA rd. has passed the electrical and framing rough for the 2 second floor apartments.
- 3) The roads are completed for the Kinsley subdivision.
- 4) At 6639 Plymouth is occupied, and 6595 right next door has in the insulation stage.
- 5) There are several custom homes in various stages throughout the Township.
- 6) No change to the Blight/Hoarding situation at 4745 Napier Ct., is still in a holding pattern. The structure is boarded up and secure while arrangements are being worked on to demolish the buildings and prepare the property for sale.
- 7) There continues to be an average of 2-week delay in permit processing, due to the lag-time caused by the outsourcing of Zoning. This is no reflection on Diane at Carlisle Wartman. It is just a logistical reality.

5. Prior Meeting Minutes Approval

A. October 28, 2024, regular meeting

It was moved by Curtis Freeman and supported by Greg Vessels to approve the minutes of 10/28/24 as drafted. The motion carried.

6. Citizen Participation

Brenda Baker addressed the Park Commission about the comments attributed to her in the minutes of October 28, 2024, under Pleas and Petitions. She clarified that when she spoke about the number of candidates for Park Commission, she did note there were six candidates on the Democratic party, not four as recorded in the minutes. Commission Secretary Martha Kern-Boprie responded that she thought she heard Brenda say four candidates. Commissioner Jack Smiley recalled hearing Brenda say six candidates. Martha said she would correct the number of candidates in the minutes of October 28, 2024.

Susan LaCroix introduced herself as a member of the Legacy Land Conservancy which is a part of the Washtenaw County Land Conservation Collective. These organizations can send a "tool kit" to help landowners move forward in land preservation initiatives. Commissioner Sharon Bryan-Phillips spoke about "Woofers" an international organization that helps people interested in land preservation. Commissioner Jack Smiley asked if the organizations Susan works with are involved with a federal US Dept of Agriculture (USDA) grant. Susan responded they are somewhat involved. Jack also stated he is interested in learning more about the tool kit, and recommended a special meeting be scheduled for a presentation on it. Susan said her organization could give a presentation in March or April. A public meeting on March 10, 2025, was suggested by Juan Bradford, and commissioners asked Juan to pursue this.

7. Reports

A. Chairperson

Chair Nahid Sanii-Yahyai welcomed new park commissioners Sharon Bryant-Phillips and Matthew Yahyai. A new liaison from the Township Board has not been appointed yet, as the new board has not

met yet. Nahid recommended a farm education program modeled after the MSU program the “Rock Committee” visited. Nahid also recommended planting ash trees.

B. Director

Juan Bradford submitted a written report. He reminded park commissioners the Township Board will hold a special meeting on Friday, December 13 at 5:30 pm to set millage rates and approve the 2025 Budgets. The regular meeting of the Township Board will take place on Monday, December 16 at 7:00 pm.

C. Township Board Liaison

A Township Board Liaison has not been appointed yet, as the new Township Board has not met yet.

D. Board Meeting Attendee

Greg Vessels and Martha Kern-Boprie were present for the Township Board meeting on November 18. There was not a quorum present, so the meeting did not take place. Supervisor Ken Schwartz, Clerk Lynette Findley and Trustee Bernice Lindke were present. Township Board members present agreed to hold a special meeting on Wednesday, November 20 at 10:30 am.

E. Park Steward

Juan Bradford spoke with Ellen Kurath. Ellen has been tending plants she planted last year. She sprayed them with deer repellent which has allowed the plants to grow well.

F. Safety

Juan Bradford reported there were no accidents or injuries in the past month.

It was moved by Martha Kern-Boprie and supported by Curtis Freeman to receive the reports. The motion carried.

8. Communications

A. Thank you letter to Brookside Farms

It was moved by Martha Kern-Boprie and supported by Jack Smiley to receive the communications. The motion carried.

9. Old Business

A. Controller’s Report

Juan Bradford reviewed items in the Controller’s report on proposed 2025 budgets, and inconsistencies in the data presented.

B. 2025 Proposed Board Budget Resolutions

Juan Bradford reviewed the proposed 2025 budgets for the Park Fund with the Park Commission. There were two different budgets, one proposed by former Township Supervisor Schwartz and one proposed by the Park Commission. The version requested by the Park Commission is higher by \$105,332 which is the amount needed to expand the three permanent part-time maintenance staff to permanent full-time staff with benefits. Martha Kern-Boprie noted the budget documents appear some confusing, as they refer to a version with three full-time Parks & Rec employees and the other version with three part-time Parks & Rec employees, when the Options really are four full-time Parks & Rec employees (Director plus three full-time maintenance employees) and (full-time Director and three part-time maintenance employees). Jack Smiley commented that it may be time to decrease our budget request and negotiate. Juan Bradford reported he is seeking a meeting with Supervisor Emily Yahkind about the budget. Sharon Bryant-Phillips asked that future budget documents be presented in a simpler format in lay person’s language.

C. “Rock Property” Committee Update

Committee chair Jack Smiley reported there is no update at this time. He wishes to have a meeting with the committee members, after the Park Commission meeting ends.

D. Proposed 2025 Farming Lease for “Rock Property” Update

While working on the lease agreement with Steven Peach to farm around 186 acres of the “Rock Property” Juan and Steven were informed of a state law that requires in cases of government owned land that is leased for income to the government owner, the land be assessed and property taxes levied on the property that is leased. The lease amount plus the potential property tax could make the land too expensive for Mr. Peach to lease. Juan and Mr. Peach will continue to work on a draft lease agreement. There is a value to the township in continuing the farming operation on the land. It is possible that the lease revenue to the township will be very small, beyond the property tax amount paid by Mr. Peach.

10. New Business

A. Election of 2025 Park Commission Officers

Martha Kern-Boprie nominated Nahid Sanii-Yahyai as Commission Chairperson. Greg Vessels supported the nomination. Nahid Sanii-Yahyai was elected Chairperson by unanimous vote.

Nahid Sanii-Yahyai nominated Greg Vessels as Vice-Chairperson. Curtis Freeman supported the nomination. Greg Vessels was elected Vice-Chairperson by unanimous vote.

Nahid Sanii-Yahyai nominated Martha Kern-Boprie as Secretary. Matthew Yahyai supported the nomination. Martha Kern-Boprie was elected Secretary by unanimous vote.

B. Approve Purchase of Pick-up Truck

At the October 28 meeting of the Park Commission a concept was endorsed of using an additional \$25,000.00 in ARPA revenue to purchase a used pick-up truck for use by the Park Director. Juan discussed this with Don Waligore, and learned that the pick-up truck used by maintenance staff is 23 years old, and it would be prudent to replace that truck with a new truck, and have Juan drive the older truck.

Juan presented information on vehicles available, and their prices. He explained the preferred vehicle is a Ford F-350. He could only find a new 2024 Ford F-350 at Gene Butman Ford in Ypsilanti for \$48,480. He found a new Ford F-250 at two dealerships:

Gorno Ford in Woodhaven	\$46,472
Gene Butman Ford in Ypsilanti	\$48,497

The Gorno dealership would not have an F-350 available for another year.

He located used Ford Ranger trucks for less cost, but found their options were more than what the Parks Dept needs.

2021 Ford Ranger XLT	\$31,995
Gene Butman Ford, Ypsilanti	

2020 Ford Ranger Lariat	\$30,500
Atchinson Ford, Belleville	

Sharon Bryant-Phillips advocated for purchasing an electric truck. She owns one and is very happy with it.

After much discussion, Martha Kern-Boprie moved to purchase a Ford F-350 pick-up truck from Gene Butman Ford for an amount not to exceed \$48,480.00. Curtis Freeman supported the motion. A roll call vote was taken.

Curtis Freeman	Yes
Matthew Yahyai	Yes

Greg Vessels	Yes
Nahid Sanii-Yahyai	Yes
Martha Kern-Boprie	Yes
Jack Smiley	Yes
Sharon Bryant-Phillips	No

The motion carried.

C. Christmas Tree Lighting December 7 – Volunteers Needed

The Christmas Tree Lighting event will take place on Saturday, December 7 at 6:00 the Old Township Hall. Volunteers should arrive by 5:30 pm.

Volunteers included:

Curtis Freeman	Matthew Yahyai
Nahid Sanii-Yahyai	Greg Vessels
Martha Kern-Boprie	

Dress warmly. This is an outdoor event.

11. Bills for Payment

It was moved by Greg Vessels and supported by Curtis Freeman to approve payment of the bills totaling \$28,819.64 through 11/25/24. The motion carried.

12. Financial Statements

A. October 2024 Revenue & Expenditure Statement

It was moved by Curtis Freeman and supported by Martha Kern-Boprie to receive the October 2024 Revenue & Expenditure Statement. The motion carried.

B. October 2024 Balance Sheet

It was moved by Greg Vessels and supported by Curtis Freeman to receive the October 2024 Balance Sheet. The motion carried.

13. Pleas and Petitions

Brenda Baker noted that she received an announcement sent from Superior Township to all email contacts that there would be a Parks & Recreation Commission meeting on November 25, 2024, at 6:30 pm. She could not readily find an agenda and packet on the township website. Eventually she did obtain these files, but it was complicated and not user friendly. Juan Bradford said he would discuss this with the Clerk's staff.

Martha Kern-Boprie reminded Park Commissioners that the next meeting is on December 16 at 6:00 pm. This is the third Monday in December and 30 minutes earlier than usual. This schedule is necessary to avoid conflicts with Christmas holidays, and with the Township Board meeting at 7:00 pm on December 16.

14. Adjournment

It was moved by Martha Kern-Boprie and supported by Curtis Freeman to adjourn the meeting at 8:00 pm. The motion carried.

## Utility Department Memorandum

---

To: Superior Township Board of Trustees  
From: Mary Burton  
Date: January 21, 2025  
Re: Utility Department Report

- **EPA - Unregulated Contaminants Monitoring Rules (UCMR 5)**  
The UCMR 5 requires certain Public Water Systems (PWS) to collect drinking water samples for 29 per- and polyfluoroalkyl substances (PFAS) and lithium during a 12-month period between 2023 and 2025. The Safe Drinking Water Act (SDWA) requires the U.S. Environmental Protection Agency (EPA) to establish criteria for a program to monitor unregulated contaminants in drinking water and to identify contaminants to be monitored every five years. For any PWS serving 10,000 or fewer people, EPA will pay for the cost of shipping the samples to an EPA-designated laboratory, as well as the cost of analysis. Superior Township will begin this process in March and it will be completed in December 2025.
- **St. Joseph Hospital Meter Replacement Program**  
The meter replacement program has resumed and the meter for Reichert Building has been replaced. Next steps are being taken for additional meters to be replaced. The goal for this program is to have the aging, out of life meters replaced on the entire campus.
- **Water Pressure Drop**  
On January 7<sup>th</sup> we experienced a pressure drop in distribution system #1. The pressure dropped to 20psi causing the Geddes Ridge third connection to kick on running at 1,200gpm on the Township's east end. YCUA psi dropped drastically during this event which lasted about 35 minutes. We are working with OHM to investigate the cause of this incident to prevent these types of occurrences in the future.

- **Sewer Use Ordinance (SUO) Revision**  
In conjunction with the Michigan Department of Environmental Great Lakes & Energy (EGLE) and YCUA, the SUO Agreement has been revised. The revision primarily focuses on compliance with permit requirements for the National Pollutant Discharge Elimination System. The SUO Agreement will be signed by the Township Supervisor and adopted by Superior Township Board within 90 days as outlined in the delegation agreement.
- **Water Main Break - 8908 Nottingham Dr**  
A water main break was reported on December 27<sup>th</sup> at 8908 Nottingham Drive. Approximately 48 residents were affected by the break and notified of an outage. Repairs were successfully completed and services restored on December 28<sup>th</sup>.
- **Bacti Samples Taken:**  
Bacti samples and the Chlorine Residual readings were taken this month in distribution system #2 at sample location Geddes Site #1. Paragon Laboratories will complete the testing and send results later this month.

## DECEMBER 2024 ASSESSING DEPARTMENT REPORT

**TO:** Superior Township Board of Trustees

**FROM:** Paula Calopisis, Assessor

**SUBJECT:** Assessing Department Activity Report for the January 21, 2025 Meeting  
(not a complete list)

The assessor conducted the following business activities during the month of December:

- Reviewed 6 poverty exemptions, prepared the paperwork, and conducted the December Board of Review. Sent the results to the county and each school district that was affected
- Entered 8 veteran exemptions and turned them over to the treasurer's office
- Worked with zoning to answer questions regarding land divisions and zoning compliance
- Continued to search for sales to be used for setting up the assessed values for Superior Township (residential, commercial, agricultural, and industrial)
- Assisted the state by creating a spreadsheet of the former Willow Run School District addresses
- Did an audit of our personal property accounts and sent the file to the printer's office
- Created 3 new addresses for DTE for the Kinsley Subdivision and Estates at Clairborne
- Made sure that the payments for our department certification renewal fees for 2025 were paid. Also sent in our membership fees for the Michigan Assessor's Association and renewed my membership to the Washtenaw County Assessor's Association.

The appraisers conducted the following business activities during the month of December:

- Completed site visits for 21 final building inspections which included new construction
- Accepted and entered 39 property transfers, principal residence exemptions, and rescinds
- Conducted the end of the year Personal Property Canvass by taking pictures of each of the hospital office names on doors, and of the commercial buildings in the township
- Assisted with numerous general phone calls that came in to the township
- Conducted 227 year end permit inspections by visiting each site and determining the percentage of completed construction so they can each be entered for 2025 assessments
- Assisted residents with assessing questions at the counter and on the phone
- Assisted 8 veterans with exemption paperwork
- Assisted 6 residents with poverty exemption paperwork and created a spreadsheet for each one that shows the overall income and expenses to see if they were within our guidelines
- Assisted the assessor with the December Board of Review preparation

## Memorandum

To: Township Board  
From: Keith Lockie  
Date: January 20, 2025  
Re: Controller's Report

This month we will not be providing December Balance Sheets, as Nancy and I are both working on 2024 final entries. We will provide the Pre-Audit Balance Sheets and Income Statements in February.

The audit, with Pfeffer, Hanniford & Palka is scheduled at Township Hall beginning on Monday, April 14<sup>th</sup>. Some preliminary, investigative work will commence the week before by one of their audit staff, working with Nancy. I plan on being in Michigan April 14 through 17. I would like to meet the new board members that week, if possible.

Nancy and I are currently working on year-end entries, along with sending data to the auditors for their preliminary work. The 2024 books will remain open till mid-March to ensure all entries are received and entered before the audit.

# Committee to Promote Superior Township

A Volunteer Committee

Fostering pride, unity and a sense of place among Superior Township residents

## C2PST January Highlights

- **Social Media Update:** The C2PST Social Media Team recently met with Township officials, including some newly elected members, to finalize our Facebook and Instagram strategy for the first quarter of 2025. Our goal is to keep the community informed, engaged, and connected through dynamic content and timely updates.
- **Annual Summary from C2PST Chair:** Brenda Baker, Chair of the Committee to Promote Superior Township, shared an annual update letter with the Township Board, summarizing the Committee's activities over the past year and expressing gratitude for their continued support.
- **Superior Businesses:** The C2PST Social Media Team continues to grow our library of 'Superior Sunday' features, showcasing local businesses and their unique contributions to our community. These features shine brightest with direct input from the businesses themselves, and we encourage proactive participation to help share their stories. A recent respondent was Moonwinks Cafe and Tavern.
- **Superior People:** The C2PST aims to spotlight our community's governmental leadership and other inspiring citizens through our 'Superior People' feature. Questionnaires have been shared with all newly elected officials, and responses are steadily coming in. We look forward to sharing their stories with the community.

#### MOONWINKS CAFE AND TAVERN

5151 Plymouth Rd, Ann Arbor, MI 48105

Moonwinks Cafe and Tavern, owned by Kevin Cox, Brian Cox, and Nate McCardinal, has been open for just under two years. The establishment offers a delightful mix of coffee, pastries, cookies, ice cream, and a variety of meals, including breakfast, lunch, and dinner specialties. The recent addition of a fully stocked bar, featuring beers on tap, mixed cocktails, and mocktails, enhances the overall experience. Moonwinks is dedicated to entertaining and serving the community with open arms and warm hearts, emphasizing participation, assistance, and a "what can we do to help?" attitude.

The open-door/open-arms mentality, combined with an eagerness to go above and beyond for the community and friends, is the underlyling concept lived by at Moonwinks. Fundraising, catering, hosting, or simply attending various functions, as well as spreading the word about events and support for the community, are integral activities. For Moonwinks, community is more than just a group of people. Kevin and Brian grew up and live in the area, and Kevin's wife, Alina Cox, is a kindergarten teacher in the Ann Arbor Public Schools. Superior Township is their home and happiness, where they live and thrive to love, support, and encourage everyone they meet now and in the future.

Brian fondly remembers the day the kitchen was expanded, which brought renewed focus and drive, while Kevin cherishes the moment the Tavern officially opened, marking it as a community space dedicated to Dabbers' heritage. Their staff, described as courteous, friendly, and outgoing, play a significant role in creating a welcoming atmosphere. The Tavern is more than just another restaurant; it is a community space created for Superior Township, encompassing the Cafe, Tavern, and a "Beer Garden" feel porch. The Tavern is dedicated to the two hundred years of Dabbers' heritage, serving as a gathering space for all ages. Being located in the heart of Dabbers, they are committed to living up to the heritage of this amazing community.

### Superior People

#### Nahid Yahyai

Chair of Parks and Recreation Commission

Nahid Yahyai, a resident of Superior Township for 19 years, serves as the Chair of Parks & Recreation Commission and as a Planning Commissioner. As a scientist, Nahid's work focuses on highlighting the social, physical, and environmental benefits of the township's parks. She actively engages with the community to improve existing programs and events.

Her preferred local spot is Cherry Hill Nature Preserve, a place that represents her dedication to environmental stewardship. Nahid values the township's rural atmosphere, expansive green spaces, wildlife, and its proximity to urban areas.

Nahid believes the strength of Superior Township lies in its community and natural beauty. She is committed to enhancing these attributes to ensure the township remains a vibrant place for all residents.

**Subject:** Board of Review

Good Day, Board of Trustees,

I am writing to seek further clarification on recent developments related to the Board of Review and the process for appointing new members.

As a current member of the Board of Review, I recently inquired about a Superior Updates posting seeking applicants for the Board of Review. I greatly appreciate the responses I received from Clerk Angela Robinson and Treasurer Lisa Lewis, and I wanted to provide some context regarding my concerns.

### Appointment Clarification

At the **January 18, 2022**, Board of Trustee meeting, I was appointed to the Board of Review. This appointment came after I had approached the Board in December 2024 with concerns about an agenda item to appoint resident Liao Snow to the Board of Review. At the time, I had raised concerns about transparency and the lack of a public posting for the open position, despite my repeated inquiries to the Supervisor about interest in the role. Since the nominee for the position was not present, there was a brief discussion, and Treasurer Lisa Lewis recommended that the vote be delayed. The Board agreed that any interested residents would have the opportunity to present their interest in January 2022.

On January 12, 2022, I received the attached letter from Ken Schwartz. At the January 18, 2022 Board of Trustee meeting, Ken Schwartz informed the Board that Liao Snow had come to the township that day and withdrew her name as a potential appointee to the Board of Review.

### **Term and Appointment Process**

The position on the Board of Review is for a three-year term, as outlined on the township website. This is the process I had understood to be in place. However, it seems unusual for the Board to actively seek applicants for positions like the Board of Review unless there has been a resignation, failure to perform duties, or a vacancy due to death. Traditionally, reappointments and appointments have been made through straightforward motions during New Business agenda items, as evidenced by past meetings (see below).

While researching past actions, I discovered that at the December 18, 2020, Board meeting, long-serving members John Macnicol and James Switala were not reappointed to the Board of Review. Their terms were never formally renewed after a vote delay. In the January 18, 2021, Board packet, it mistakenly lists Macnicol and Switala as being appointed at the previous Board meeting in December 2020, which is incorrect, as no vote was taken. This means that both have served for four years without formal reappointment.

### **Concerns Regarding New Applicants**

I am deeply concerned that initiating a process to seek new applicants for the Board of Review, particularly when current members have expressed willingness to continue serving, could be perceived as **age discrimination or retaliation**. The current members have served the community diligently and understand the critical role the Board plays in helping residents navigate property tax reviews and calculations.

Prior to becoming a member of the Board of Review, I have personally appeared before the Board as a resident and to assist others as a real estate owner/broker with comparables and other information. I also know that diversity is highly valued by the township's residents. It is essential that the Board reflects the diverse demographic of our community and inclusive of the entire township. Further, I have hosted a Zoom Forum for two years to assist clients, residents first time home buyers and the public throughout Michigan understand the Headlee Amendment, tax assessment statement and the role of the Board of Review. I have consistently demonstrated commitment to inform and serve our residents.

As of today, January 5, 2025, John Macnicol, James Switala and I, have **not** been informed that we need to reapply for our positions following the posting last week. Only residents who signed up for Superior Updates receive the email. Will the Board of Trustees allow applicants to present during the January 20, 2025, meeting? Will this now be a new standard procedure for **ALL** committees, authorities, boards, and commissions or is **the Board of Review being targeted (specifically myself)**? Will the Board also post on the LED sign at the Utilities and Maintenance building and other sources to allow all residents and opportunity to be informed.

### **Impending March Board of Review Meeting**

Finally, with the March Board of Review meetings just two months away, it is crucial to note that serving on the Board **requires experience and Michigan State certification**. The active participants and decision makers are **only** the three-member Board of Review. The Supervisor, serving as Secretary, is also new and will need time to adjust to the duties of this role.

Thank you for your time and attention to this matter. I look forward to your response and any clarification you can provide regarding the appointment process moving forward.

Clerk, Angela Robinson please include this communication in the upcoming Board Packet.

Sincerely,  
Irma Golden  
Board of Review Member

Irma,

You can address the Board. That's your right. First, no one is challenging your credentials to sit on the Board. You'd be good. As the Supervisor I'm required to sit on the BoR, and to be honest, I am supporting another candidate because she has certain talents and attributes that can help the Board at this time. Superior Township serves many persons of Asian descent through the BoR process and all the other township functions. Often times there are communication issues with some Asian petitioners because English is either a second language or they speak little to no English. Many of these decisions have been appealed to the State Tax Tribunal. I am fairly certain many of these appeals could have been avoided with an interpreter on the Board. Having a speaker that can interpret and explain the valuation methods used by the petitioner to challenge the assessment will make the Board of Review and township more responsive to residents and property owners.

Also I'm taking into consideration that our current 2 members of the Board of Review live in the subdivisions. Geographic diversity has always been an important issue for the BoR because the petitioners are property owners and taxpayers from all over the township. Many from the rural parts of the township. Having someone who lives in their vicinity, who knows the area and with similar backgrounds helps the entire process be fairer.

Currently, we have no Asian representation on any Board, Committee or Commission in the Township. Persons of Asian descent constitute around 7 percent of our population and its growing. I believe in the value of diversity, a value intensely embraced by the township for at least 25 years; I want everyone in Superior Township to feel welcomed, embraced and listened to. I think appointing Snow Liao advances that interest.

Please feel free to call me if you wish to discuss.

Yours truly,

Ken Schwartz  
Supervisor Township Supervisor

Ms. Golden - As indicated in earlier written communication, you are invited to reapply for the Board of Review. We have requested a cover letter, resume, and interview. Dear Superior Township Board of Trustees,

Congratulations to all of you on your election win. I look forward to an efficient and smooth operating BOT. Most of you know me. I served on the Board of Trustees (BOT) for years, both as a Trustee and as the Clerk. I am not writing this to criticize anyone. I am attempting to provide some suggestions for future BOT actions.

During discussions for the 2025 Budgets, it was revealed that the undesignated fund balance was approximately \$1.6m at the beginning of 2024 and would decrease to approximately \$500k by the end of 2024, a huge appropriation of \$1.1m. Some BOT and former BOT members expressed surprise at this decrease. Reasons given for the decrease included extravagant spending by the previous BOT, spending on the Plymouth Road and MacArthur Blvd pathways and other projects. I think it is important to determine why there was such a huge decrease in the fund balance so that: 1. The public can know what happened; 2. It does not happen again (or is not a surprise to anyone). I looked through some of BOT's actions and found the following.

- The 2024 Budget approved 10-16-23 indicates an appropriation from the Fund Balance (FB) of \$336k which results in a balanced budget.
- The 9-16-2024 Controller's report indicates the appropriation from the FB was approved for \$530k but there was a change of plus \$769k for a total appropriation from the FB of \$1.3m.
- The 9-16-2024 Controller's report indicates the Plymouth Road pathway was approved for \$200k, there was a plus \$550k change for a total of \$750k (although Resolution 2024-08 indicates a total of \$869k). The MacArthur Blvd pathway had zero approved but changed by plus \$170k for a total of \$170k (although the final cost is listed as \$270k).
- The 12-16-24 Controller's report does not address the undesignated FB but the attached Comparative Balance Sheets indicate the FB for PE 11-30-23

is \$1.8m and for PE 11-30-24 is \$1.6m.

- The 12-12-2024 Budget Amendments indicate GL 101-000-699 Appropriation from FB is amended to \$1.25m.

It appears that the increased costs of the pathways were not processed as Budget Amendments until late in the fiscal year which resulted in incomplete figures for the FB on the Balance Sheets for PE Jan-June 30 2024 and other period ending dates.

- Resolution 2024-07, MacArthur Pathway, dated 2-20-24, indicates CDBG funds in the amount of \$133k would be used for the project. There is no indication in the resolution of any additional required local match, GL number or budget amendment. Resolution 2024-08, Award Bid, indicates \$133k of CDBG funding will be used for the cost of the construction of the pathway, the total cost of the pathway will be \$246K but does not include any information on where the additional \$113k comes from. There is no mention of a GL number or need for a budget amendment. It appears this project was completed for \$270k, with the Township's portion being \$157k.
- Resolution 2024-08, Plymouth Road Pathway, dated 2-20-2024, indicates \$250k from Washtenaw County Parks and \$300k from MDNR will be used to fund the project which has a total cost of \$869k. There is no mention of where the additional \$319k comes from, no mention of a GL number or need for a budget amendment.
- It should be noted that Resolution number 2024-08 is used for both awarding the contract for both the MacArthur and Plymouth Road pathways.
- According to the above two resolutions, the local match was \$113k for the MacArthur path, and \$319k for the Plymouth Road path. There maybe an explanation for how the total costs for the projects increased to \$869k for Plymouth Road and \$270k for MacArthur (as indicated in the 12-12-2024 Budget Amendments).

- Resolution 2024-64, Approve/Accept MNRTF Grant for purchase of Superior Greenway, Indicates a MNRTF grant for \$1.02m and the Township's local match of \$520k. Someone from a local land conservancy organization verbally indicated that they had received a grant and it would cover all of the Township's required \$520k local match. However, I did not see any written agreement/documentation in the packet to verify such.
- I would also like to bring to your attention that the Proposed Budgets for 2025 dated 10-18-2024 and 12-12-24 both indicate the actual undesignated FB for Jan - June 2024 is \$1.6m, with nothing for amended 2024. Also, Resolution 2024-59, Adopting General Appropriation Act, indicates the budgets being approved are 2024.
- In reviewing the various Resolutions, Controller's Reports, Balance Sheets and Budget Amendments, it is difficult to determine what the final costs of the two pathway projects were, how much was covered by grants, what was the Township's match and when and how increases in the costs were addressed. It appears that the final costs for the two projects are: Plymouth Road path total \$873k, grants \$550k, Township match \$323k. MacArthur path, total \$270, grants \$133k, Township match \$137k. Total Township expense (not covered by grants) for these two projects, \$460. I did not determine where the additional approximately \$640k in deficit spending occurred. The 2024 Budget adopted on 10-16-23 indicates a balanced budget with \$336k appropriated from the FB. It appears that this appropriation, along with the added costs of the pathways and some other amended costs account for the \$1.1m appropriation from the FB for 2024.

I bring the above examples (and I suspect there are more) to your attention to exemplify what I feel is a need to more thoroughly address the financial impact of any spending approved by the BOT. Maybe I am missing something or there are explanations in other BOT documents. However, it was not easy for me to try to follow the approval and accounting of the spending. IMO, resolutions and backup documents should include complete information on the expense and spending. it should include the GL number, the financial impact of the spending

and the need for budget amendments (with large expenses processed quickly). Increases in project costs should be brought to the BOT for proper approval, documentation and budget amendments. The BOT recently approved Resolution 2024-60, which moves the reporting of the Controller to the Clerk's office. IMO, this does NOT remove the responsibility of all BOT members to read the Controller's reports, review the Financial Reports/Balance Sheets and implement good practices to approve and continually monitor the financial status of the Township. BTW, It appears the BOT approved two Resolutions with the same number: 2024-60, Move Controller Reporting to Clerk's office and 2024-60, Appoint members to ZO rewrite.

Other observations i would like to bring to your attention

- I worked the November Presidential Election. We worked out of the small conference room next to the Supervisor's office. There were usually four of us working in the room, with other staff entering frequently. Ballot applicatons, ballots and miscellaneous election documents, equipment and supplies were kept there. It was very cramped and not a good work environment. I could go into further detail but will just say that for future busy elections, a better work space should be utilized.
- The Old Township Hall is deteriorating and needs maintenance. From just a visual inspection, the roof is failing (expensive shake shingles) and the exterior siding has some bad spots. Water intrusion may have already started. If you want to save the building, it needs repairs.
- The shingles on the south-side of the small shed (just north of the old Township Hall, are totally failed.
- About 10-12 years ago, we spent a lot of money to replace the asphalt in the main parking lot. I don't think there has been any maintenance of it since. It is probably past due for crack sealing, sealing and restriping.
- There is a smal "Superior Township Hall" sign on the east side of Prospect, just south of Cherry Hill. It is completely deteriorated. It should be replaced.or maybe install a more aesthetic sign on the corner of Cherry Hill

and Prospect.

- The Fire reports in the BOT packets are very long. They list every incident and alarm run. I think the reports for the Board Packet could be streamlined. Perhaps the listings of the complete incident and alarm runs could be loaded to a link and the BOT be provided with a sort of executive summary each month that includes total runs, breakdown of number of fire runs, alarm runs, medical assists, miscellaneous runs, narrative on significant personal injuries, fires, accidents or other pertinent information. Save a few trees and some band width.

**Background**

The Billing Specialist and Residential Liaison position for Superior Township Utility Department has been open since October 9, 2024, and needs immediate fulfillment. This position is being expanded to provide support to the Utility Director and as a backup in my absence.

Previously Landis Smith served in this position for more than three years and as Utility Clerk for two years before accepting an offer as Deputy Clerk. Upon completing his appointment as Deputy Clerk in November 2024, Landis reapplied for this position. He is the most qualified candidate and did excellent work as the Billing Specialist & Residential Liaison. Therefore, I would like to recommend the direct hiring of Landis Smith in the Utility Department as Billing Specialist & Residential Liaison.

**Recommended Action**

Landis Smith be hired as Billing Specialist and Residential Liaison effective November 21, 2024, at \$35.36 per hour.

**WHEREAS**, Michigan Compiled Laws Section 691.1402a provides:

**691.1402a Municipal corporation; maintenance of sidewalk; liability; presumption; additional defense; limitation.**

(1) A municipal corporation in which a sidewalk is installed adjacent to a municipal, county, or state highway shall maintain the sidewalk in reasonable repair.

(2) A municipal corporation is not liable for breach of a duty to maintain a sidewalk unless the plaintiff proves that at least 30 days before the occurrence of the relevant injury, death, or damage, the municipal corporation knew or, in the exercise of reasonable diligence, should have known of the existence of the defect in the sidewalk.

(3) In a civil action, a municipal corporation that has a duty to maintain a sidewalk under subsection (1) is presumed to have maintained the sidewalk in reasonable repair. This presumption may only be rebutted by evidence of facts showing that a proximate cause of the injury was 1 or both of the following:

(a) A vertical discontinuity defect of 2 inches or more in the sidewalk.

(b) A dangerous condition in the sidewalk itself of a particular character other than solely a vertical discontinuity.

## POVERTY EXEMPTION GUIDELINES FOR 2025

For 2025 the federal poverty annual allowable income for one person is \$15,060. We calculated 85% above the one person amount which equals \$27,861 for the Superior Township annual allowable income.

We then rounded the new 2025 Federal Poverty level of \$5,380 per additional person to \$5,400 and added it to each line accordingly, which is the same way the Federal Poverty Guidelines are calculated. ( $27,861 + 5,400 = 33,261$  for 2 persons, then  $33,261 + 5,400 = 38,661$  for 3 persons, etc)

### *Annual Allowable Income for 2025*

<b>Number of Persons Residing in the Principal Residence</b>	<b>Federal Poverty Guideline Annual allowable income</b>	<b>Superior Township Annual allowable income</b>
1 Person	\$15,060	\$27,861
2 Persons	\$20,440	\$33,261
3 Persons	\$25,820	\$38,661
4 Persons	\$31,200	\$44,061
5 Persons	\$36,580	\$49,461
6 Persons	\$41,960	\$54,861
7 Persons	\$47,340	\$60,261
8 Persons	\$52,720	\$65,661
For each additional person	\$5,380	\$5,400

**This Message originated outside your organization.**

---

Hello,

The WCRC entered into an agreement with Superior Township in 2023 to work together on the Geddes Road Pathway TAP project. I have attached this agreement for your convenience. I have also attached an invoice for WCRC costs to date on the project. These include WCRC staff time and costs associated with right-of-way acquisition. This is the first invoice that WCRC has sent for the project, so you will see labor, etc. dating back to as early as December 2022. Other invoices will follow once construction starts.

The project is getting ready for final submittal to MDOT, with a bid opening sometime in the spring, most likely March or April. We'll keep you posted on the results of the bids.

Please feel free to contact me or Jane Allen, WCRC Project Manager (copied), if you have any questions.

Thank you,

**Michele S. Ford, P.E.**
